Dear Montgomery Families,

The Montgomery High School Booster Club is dedicated to raising funds for developing our athletics program. We are committed to our student athletes, coaching staff, and trainer by promoting and being leaders in positive sportsmanship. We encourage participation in high school athletics and are proud to give our funds to each sport program in need for our over 500 student athletes. Our fundraising efforts can be seen throughout the campus: uniforms, athletic facilities, athletic equipment, sports equipment for special day classes, transportation, and by preserving our sports history and traditions at Montgomery High School. "We are the TEAM behind the TEAM"

As most of you know, our largest fundraiser to honor our Montgomery Coaches and our student athletes, is "FanFest", a celebratory event held annually which has netted over \$100,000 dollars for our student athletes in the last 5 years. We are proud as a volunteer board of our efforts and work that goes into supporting our Montgomery athletic community. Unfortunately, we are saddened to tell you that due to low tickets sales, and a general non-interest in the event, we have made the decision to cancel FanFest 2018.

We would like to thank not only our board who put everything into this event, but all our sponsors, donors, and community supporters. A special thanks to the FanFest committee for your tireless efforts to make this a special occasion.

If you have any questions, please feel free to contact us directly:
